An infinity of new experiences await. So what are you waiting for?

\*Available without expansion - Requires account to play

**Blizzard**

**NHL 07**

The golden age of console hockey returns when NHL 07 debuts with gameplay innovations that will allow players to feel like they are actually on the ice. New presentation design, AI enhancements and animation overhauls create players who look, act and play like they would in the NHL. Gone are the days when a one-timer was the only way to score in a hockey videogame. Now look to your teammates and know how to best use their strengths with new Player-Specific Behaviors.

**EA Sports**

**Halo**

In this thrilling Sci-Fi shooter, you play the role of a decorated veteran whose mission is to stop opposing alien force, the covenant. Play alone and stop the alien threat in single player mode or play your friends and up to 64 competitors in online multiplayer mode. With everything from shotguns and sniper rifles to plasma pistols and sticky plasma grenades, a variety of weapons encompass both human and alien technologies. Want to drive a tank or fly an alien craft? You can, with the numerous vehicles in HALO®.

**Microsoft**

**Call of Duty 4**

Mixed with explosive action, Call of Duty 4: Modern Warfare also delivers amazing special effects, including use of depth of field, rim-lighting, character self-shadowing, real time post-processing, texture streaming as well as physics-enabled effects to enlist players into the most photo-realistic gaming experience. Combined with Call of Duty's award-winning audio design, players will face war as never before.

**Activision**

**Rise of Nations: Rise of Legends**

Journey to the land of Aio, a world embroiled in an epic battle between the forces of Magic and Technology. Fight through towering cities, flame-swept deserts and brutal ice plains in battles filled with mystic creatures, impossible machines, and stunning acts of magic. Guide a young inventor's struggle to unravel his world's ancient past and unite its people against an unimaginable threat. And multiplayer carnage reigns supreme when you take the war online.

**Microsoft**

**Battlefield 2**

With so many game features, Battlefield™ 2 encompasses just about every detail of combat imaginable. This Squad and team based game allows up to 64 competitors battle it out. Take part in any of the many maps in the hundreds of simultaneous games being played.
